

With our simple finance and network of over 2,100 vendors, we're helping Aussie households to make their homes more sustainable.

As the official partner for the Energy Saver Loan Scheme, we're excited to help Tasmanians to access a range of energy efficient products, from solar panels and hot water heat pumps, to insulation and other energy efficient appliances.

We believe in empowering households to make informed purchases, with transparent and responsible payment plans.

0% interest loans

Energy Saver Loan Scheme

- ◆ 0% interest loans
- ◆ Between \$500 to \$10,000
- ◆ 1 to 3 year terms
- ◆ Fortnightly repayments

Making energy savings easy

The Energy Saver Loan Scheme provides 0% interest loans to eligible applicants to fund the purchase price and installation of energy efficient products.

Products available through the Scheme

Category A

Solar electricity and storage

- Solar systems
- Solar & battery storage combo
- Battery storage systems

Category B

Efficient electrical appliances

- Reverse cycle air conditioning
- Hot water systems - either heat pump and solar
- Induction & ceramic stove tops
- Energy efficient white goods

Category C

Energy efficiency upgrades for existing buildings

- Double glazing
- Insulation

How to get started

- 1 Choose your products**
Agree with your vendor on the products you are purchasing.
- 2 Apply for the Energy Saver Loan**
Your vendor will step you through the process of applying for the Energy Saver Loan Scheme. Most applications get a decision within minutes.
- 3 Complete your improvements**
Now it's over to your chosen vendor to complete the installation of your energy efficient products.
- 4 Repayments**
Your repayments will begin once the job is complete.

Rates and fees

Amount	\$500 to \$10,000 with 0% interest rate
Repayments	Fortnightly payments with terms of 1 to 3 years
Fees	\$0 establishment fee \$0 weekly account keeping fee \$0 introducer fee \$4.99 late payment fee may be applied if you miss a repayment (late fees are capped at \$49.90/year)

The Energy Saver Loan Scheme is only accessible via accredited vendors enrolled in the Scheme. The funds provided through the Scheme are paid directly to your vendor by Brighte. You will then make repayments to Brighte in line with the terms of the loan.

The Energy Saver Loan Scheme is designed to help Tasmanians to reduce their electricity bills

For residential households

The Scheme offers 0% interest loans of up to \$10,000 to residential households and landlords of residential properties.

Eligibility criteria apply, you can find out more details on brighte.com.au/tas

For businesses

The Scheme offers loans for small businesses and not-for-profit organisations.

Eligibility criteria apply, you can find out more details on brighte.com.au/tas

Loans are capped at \$10,000 per property. No single applicant may be loaned more than \$20,000 in total (ie, accessing the scheme for your primary residence won't prevent you getting a separate loan for your small business).
